

INTRODUCTION TO CDM OPPORTUNITIES IN BANGLADESH

Mr. A. H. Md. Maqsood Sinha, Managing Partner, Waste Concern Consultants (WCC) presented a brief on CDM opportunities in Bangladesh. He focused on CDM projects, global CDM market size and potentials sectors for CDM in Bangladesh. He also mentioned that many energy and waste sector based CDM projects require bundling approach. Identification of right institution for bundling of the projects, in some instances, is a big barrier to implement the projects.
